ACCOMMODATION PROGRAMS

Coast Shelter provides accommodation and support to an average of 100 homeless people every night including:

- Single women and women with children at **Kara**
- Men at **Coimba**
- Young men and women at **Rumbalara**
- Young women at **Maya**
- Families and individuals leaving refuge life in the **Wyong Outreach Program**
- Homeless men affected by drugs or alcohol in the **Intoxicated Persons' Program**

COAST COMMUNITY CENTRE

With the assistance of a huge volunteer workforce and corporate supporters, the **Coast Community Centre** provides close to 100 free meals every day to homeless and disadvantaged community members.

The Centre also provides a range of practical support services including No Interest Loans, food parcels, electricity vouchers, assistance with prescriptions and access to free legal advice.

Coast Shelter is the largest provider of emergency accommodation and homeless support services on the NSW Central Coast. Our vision is to prevent homelessness, sustain tenancies, provide emergency accommodation and move homeless people in to permanent housing.

"My living skills improved so much during my stay. I learnt how to cook and stick to a budget. I now have my own place and can look after myself."

"Without Coast Shelter I probably would have had to break up my family, which would have interrupted the children's schooling and been traumatic for us all."

"The Community Centre has provided me with free meals, clothing and moral support. Staff are always willing to help when you have no one else."

"I've had enormous support with everyday things such as household chores and routines for my kids. One of the biggest supports is the ongoing encouragement staff give me."
